

Prof Jegan Krishnan

MBBS Ph.D FRACS.Orth FAOrthA
Orthopaedic Surgeon – Founder of JRC

Professor Jeganath (Jegan) Krishnan (MBBS, FRACS (Orth), Ph.D.) is an Orthopaedic Surgeon based in Adelaide, South Australia who currently consults and operates at various locations across the state.

Professor Krishnan has a particular surgical interest in shoulder and hand surgery and has presented at many internal forums in regard to this. He also has a keen interest in the design of a prototype metacarpophalangeal finger joint for the rheumatoid hand. He attained a PhD in this topic at Flinders University.

Furthermore, he has an interest in improving training programs for Orthopaedic Surgeons in areas such as India, China and Africa, in which he performs a combination of lectures, live surgeries and workshops.

Professor Krishnan is also a member of several bodies such as The Australian Shoulder and Elbow Society, the Australian Hip Society and the Australian Hand Surgery Society. He also sits on multiple committees including the Heads of Departments of Orthopaedic Surgery South Australia. Finally, Professor Krishnan is involved in curriculum development in Malawi, Zimbabwe and Rwanda with Specialists Without Borders.
